

CHARLOTTE HARBOR SINGLES FOR SAIL

Membership Application

This club is for single people that are sailors, or at least interested in becoming sailors. It is not just another singles dating club. Invitation to join is heartily extended to non-sailors only if they truly are interested in learning to sail. We will enjoy helping non-sailors learn to sail but you will be expected to do your part and participate in sailing lessons. Failure to show an interest in sailing may result in your membership not being renewed.

The initiation fee for our club is \$20.00. This fee covers the expenses associated with processing your membership application and is non-refundable. Please make check payable to Charlotte Harbor Singles for Sail. After submitting your membership application and fee, proposed new members names only will be emailed to current members for review. If there are no objections to your membership from any current members, your application will then be reviewed and voted on by the Board of Directors at their next scheduled meeting or earlier if enough board members are gathered to constitute a quorum. You will be notified by the Commodore if your application has been accepted at which time you will be asked to submit a check to cover your annual membership dues, currently \$45.00. Once your application has been approved and your annual dues received, you will be considered a member eligible to participate in all club functions.
